

PLEASE READ BEFORE COMPLETING THE JOINDER AGREEMENT

The following is information to consider when completing a Trust II Joinder Agreement for trust sub-accounts funded with the Beneficiary's own money such as lawsuit settlements, inheritances, SSI back payments, etc.

In many cases, the grantor's birth date and social security number are not required to complete this form. If the grantor is a legal guardian or judge, simply say "not applicable" in those two spaces on Page 1, Section C.

The "Primary Representative" is the person that will request disbursements from the trust account for the benefit of the beneficiary and will receive correspondence and financial reports. Oftentimes a parent, guardian, or family member is the primary representative and grantor. If the primary representative is someone other than the grantor, please make note to Arc staff clarifying who the primary representative is and put the primary representative's identifying information in Section F on Page 2.

We ask for a second alternate to the primary representative, if there is one, (Page 3 Section F) so that Arc staff will have someone to contact concerning the needs of the beneficiary in the absence of the primary representative.

Concerning Section K-2, distribution of remainder upon death of beneficiary: The Arc needs to be very clear who the grantor wishes remainder money to go to after satisfying the State's claim for Medicaid reimbursement. If "heirs at law" is used in this space, please include an attachment or cover letter concerning whom we may be able to contact to locate heirs to distribute remainder money to. As a last resort, if we do not have someone to contact, we will pay remaining funds to the State Comptroller and they will list the remainder as unclaimed funds.

On the last page of the Joinder Agreement II is the checklist for self-funded sub-accounts. This checklist is an assurance to The Arc that the primary representative is aware of those items on the checklist. The Arc strongly recommends that an attorney be consulted who is familiar with trust and benefits issues before checking the checklist and signing at the bottom. Some individuals choose not to review those items with an attorney. If this is the case, please make note that you are waiving that right and then sign & date the checklist.

Check writing instructions: Please make the check funding the trust account payable to: "JPMorgan Chase Bank, for the benefit of (or f.b.o.) [beneficiary's name]," and make the check for the \$450 enrollment fee payable to "The Arc of Texas," Send the checks and the completed Joinder Agreement, to: "Master Pooled Trust Staff, 8001 Centre Park Drive, Suite 100, Austin, Texas 78754."

Do not hesitate to call Chris Oglesby, or Rona Statman at 512-454-6694 or 1-800-252-9729 if you continue to have questions while completing the Joinder Agreement. Thank you for your interest in the Master Pooled Trust.

CHECKLIST FOR SELF-FUNDED SUB-ACCOUNTS MASTER POOLED TRUST

It is not The Arc's intention to provide legal advice. Attorneys working with families should be experienced in trust and government benefits issues. The Arc urges attorneys who are not experienced in these areas for persons with disabilities to direct families on to attorneys who have such experience.

Please submit this checklist with the joinder agreement.

_____ The beneficiary of the trust meets the definition of having a disability according the Social Security definition. (*check appropriate options.*) The beneficiary is currently eligible for SSI ___ SSDI ___ Medicaid ___ or the beneficiary has obtained a disability determination by TDHS ___ or for recipients with long term care Medicaid over the age of 65 ___.

_____ My client has been advised of the tax consequences of trust sub-account profit.

_____ I have advised my client that the Master Pooled Trust cannot disburse funds for basic needs (shelter, including rent, mortgage, deposits & basic utility bills; and food) but is a supplemental trust. The funds are budgeted for supplemental items which are appropriate to the sub-account beneficiaries needs. The trust account can approve a disbursement for a pre-paid burial plan but cannot approve disbursements after the beneficiary's death for a funeral.

_____ I have advised my client that federal law requires that all unspent amounts in the Beneficiary's sub-account at the Beneficiary's death must be used to reimburse the State for medical services received, unless the Donor chooses to leave a percentage of the funds for other beneficiaries of the Trust.

_____ There are no Texas Dept. of Aging & Disability Services Medicaid liens against the funds.
(contact #: 512/490-4680)

_____ There are no Texas Medicaid & Healthcare Partnership liens or claims against the funds.
(contact # 512/506-7546)

_____ There are no other liens or claims against the trust sub-account funds.

_____ I have advised my client that certain trusts may be subject to claims for some or all mental health and mental retardation services: however, there are statutes governing trust exemptions. These are Texas Health & Safety Code §534.0175 for community centers, TH&SC §552.018 for state operated MH facilities, and TH&SC §593.081 for state operated MR facilities. If the individual beneficiary is receiving Medicaid, then the individual's sub-account is not subject to charges for Medicaid-covered services.

I have advised my client that, under 42 U.S.C. §1396(p)(c), certain transfers of assets for less than fair market value (including but not limited to the purchase of an annuity that will not pay back to the purchaser the amount paid for it) can result in a period of ineligibility for certain types of Medicaid, including long-term care Medicaid, home or community-based waiver services, home health care services, home and community care for functionally disabled elderly individuals, and personal care services; and I have further advised my client that the act of joining The Arc of Texas Master Pooled Trust is not considered such a transfer of assets for less than fair market value, but I have also advised my client that if such a transfer of assets for less than fair market value has occurred, as would be penalized under 42 U.S.C. §1396(p)(c), joining The Arc of Texas Master Pooled Trust will not avoid or mitigate the penalty period.
