

## Communications Intern

**Organization:** The Arc of Texas

**Contact Name:** Dori Yeater, Director of Development

**Contact Email:** [dyeater@thearcoftexas.org](mailto:dyeater@thearcoftexas.org)

### Job Posting Summary

This internship is a great opportunity for someone pursuing a career in business, marketing/communications, public health, global health, social work, non-profit and/or event production. The ideal candidate must be energetic, a team player, results-oriented and dedicated to the achievement of personal and team goals. This internship requires a candidate with confidence in interpersonal communication and public speaking, excellent writing skills, social media and marketing skills, and a passion for making a difference in the lives of people with and affected by intellectual and development disabilities.

### Essential Functions / Responsibilities:

1. Assist in management of The Arc of Texas' social media accounts
2. Assist with creative design projects
3. Utilize social network platforms to promote events
4. Attend designated and promotional local events, and assist staff as necessary
5. Tackle area strategies through research
6. Other duties as assigned

### Requirements:

1. Commitment to a flexible work schedule of at least 15 hours per week during standard business hours
2. A tech savvy approach and willingness to learn
3. Experience in digital media preferred
4. Strong writing, editing and proofreading skills
5. Self-motivated, detail-oriented and strong organizational skills
6. Ability to work independently and with staff
7. Strong communications and marketing skills

This is an unpaid internship opportunity.
