

BUDGET PRIORITIES

DON'T SKIMP ON IDD SERVICES, TEXAS.

Reduce Interest Lists

Ensure that people with intellectual and developmental disabilities (IDD) receive long term services and supports in a timely, appropriate, and community-based manner.

Raise Direct Care Worker Base Wages

Adjust the current rates in order to attract and retain quality caregivers, so that all Texans have the care that they need to remain healthy and independent.

Intensify Special Education Funding

Move to an intensity-based funding formula that considers each student's educational arrangement and specialized services required.
